

Dan Hendricks received the Eagle Award at Guntersville State Park for his seven years of service as the president of the Alabama State Parks Foundation!

Did you know that a Donkey is the only animal in the world with a cross on its back? Jesus the Messiah came into Jerusalem on the cross and he also left Jerusalem with a cross. Coincidence? I don't think so. Thank you Jesus for taking ALL our sins on You!

Alonda Crosslin has two connections with Montreat Apartments: She & Sally Parker represent WPC on the Board of Montreat & Alonda is a Patient Advocate with Massey Drugs who delivers medication to several of the residents. The following pictures were taken at a recent presentation on Medication Management. The event was followed with a Penny Auction, where all participants won a prize! Fun was had by all!

A few pictures from Bill & Nancy Valentine's European trip!

They were there during Holy Week, which made the experience even more special! The Notre Dame Cathedral in Strasbourg, France was breathtaking!

"Johnny's Mother looked out the window and noticed him "playing church" with their cat. He had the cat sitting quietly and he was preaching to it. She smiled and went about her work. A while later she heard loud meowing and hissing and ran back To the open window to see Johnny baptizing the cat in a tub of water.

She called out, "Johnny, stop that! The cat is afraid of water!"

Johnny looked up at her and said, "He should have thought about that before he joined my church."

"Therefore, whoever humbles himself like this child is the greatest in the kingdom of heaven. And who ever wel comes a little child like this in my name wel comes me." Mt 18:4
